Property Descriptions

Our agency offers for sale a residential building project located in the upper part of Arguineguin with wonderful panoramic views of the sea.

We present in this small residential complex of four units of a superior standard with spacious private terraces, garden and sea views. It has garage spaces with storage rooms included, installation of solar panels, common garden areas and communal pool- Interior with two bedrooms, living room-kitchen and bathroom.

It is a new modern, sustainable, creative and family project.

Close to service areas such as supermarket, playground, shopping center, restaurants and a few minutes drive from the beach.

Note:

The use of the property will be subject in all cases to current legislation. The sale price does not include taxes and expenses of the sale, including the Property Transfer Tax (equivalent to 6.5% or 1% in the case of first transmission, plus its corresponding IGIC in this case), the fees of the Property Registry, notary and agency.

The information about the property is subject to possible errors and unintentional changes.
